NAEP UPDATE

Below is the link to the March 2, 2018 issue of the National Association of Environmental Professionals (NAEP) *National Desk*! The NAEP *National Desk* is a biweekly (once every two weeks) publication of current national issues affecting the environmental professional. The NAEP *National Desk* is provided through a licensing agreement with Environment and Energy (E&E) Publishing, LLC (www.eenews.net). E&E has five daily online publications and they are ClimateWire, EnergyWire, Environment and Energy Daily, Greenwire and E&E News PM.

The articles listed below are included in this issue:

- *Lead NEPA Story*: Trump proposes sweeping changes to NEPA
- *Montreal Protocol - Kigali Amendment*: Pact's future uncertain as White House champion exits
- *Endangered Species Act*: Proposals become political target practice
- *NEPA*: Industry sees gold in Trump's infrastructure push
- *NEPA*: Left-leaning group says Trump permitting plan ignores the law

The latest issue can be found [here](#).

As part of the licensing agreement, E&E Publishing is offering a discount on new subscriptions. Please see www.eenews.net/trial/naep for more information.

The NAEP *National Desk* coordinator is Harold Draper. Questions or comments on the NAEP *National Desk* should be directed to Harold or Candace Bynder (membership@naep.org).
