### **Call for Articles for the News for the Environmental Professional: The Official Newsletter of the NAEP**

The NAEP newsletter is published four times a year and emailed to all NAEP members. The newsletter is published in mid February, May, August and November. Deadline for submissions is the end of the month prior to publication—for example, the deadline for the February issue deadline is January 31. NAEP is always looking for articles for this great practitioner-based publication. Consider providing NAEP's nationwide audience a bit of your professional experience and insight. For more information about publishing in the NAEP Newsletter visit: <https://www.naep.org/publications>.
